

# NTCRA Environmental Sustainability Scholarship 2018

Applications must be received by NTCRA by February 15, 2018

# NTCRA Environmental Sustainability Scholarship 2018

The North Texas Corporate Recycling Association exists to promote recycling and the use of recycled goods to area businesses through leadership, advocacy and education. Established in the early 1990s, we are a volunteer-driven membership organization that partners with large corporations, small businesses, and municipalities. Through our efforts, we have developed an extended network of over 9,000 recycling industry professionals.

As a part of our commitment to the growth of the environmental and recycling business community in North Texas, NTCRA has developed a scholarship for graduating High School seniors and enrolled college students looking to study or currently working towards a degree in Environmental Sustainability or other related major of course work.

There will a one-time award of \$500 per year presented to up to three (3) candidates attending or accepted to Collin College, Dallas Baptist University, Dallas Community College, Southern Methodist University, Tarrant County College, Texas Christian University, University of North Texas, or University of Texas at Arlington and University of Texas at Dallas studying towards a degree in Environmental Sustainability or other closely related field. The award will be sent directly to the college that the student will be attending to assist with tuition only.

Applicants must meet the following requirements:

- Be a current North Texas Area High School senior with a current GPA of 3.0 or above and have demonstrated a desire to study Environmental Sustainability through course work, work, or volunteerism.
- Be a current college student at the above listed Universities with a current GPA of 3.0 and working towards a degree in Environmental Sustainability or similar area of study.

Applicants and previous recipients have the ability to reapply annually for the scholarship. Students can receive the scholarship up to four years.

Scholarship recipients will be highly encouraged to attend the NTCRA gR<sup>3</sup>een Awards' ceremony.

Applications must be received by NTCRA by February 15<sup>th</sup>.

---

Please submit your application and essay to NTCRA via email at [Scholarship@Ntcra.org](mailto:Scholarship@Ntcra.org) by February 15th. Winners will be revealed on Earth Day at Earth Day Texas.

If you have any questions, please contact NTCRA at [Scholarship@NTCRA.org](mailto:Scholarship@NTCRA.org). For more information, please visit [www.NTCRA.org](http://www.NTCRA.org)
